

## DUAL LANGUAGE MIDDLE SCHOOL ATHLETICS PLAYER CONTRACT

### Player Responsibilities:

- Keep up with your school work. Academics are the first priority of a student athlete. If your grades are not maintained at a 75% in each subject, eligibility for the team might be compromised.
- Wear appropriate clothing! In order to play, you must wear athletic pants and a t-shirt. We came here to sweat!
- Come to all practices! All absences must be coordinated in advance with the coach.
- Respect other players. Remember, your teammates are working with you, not against you. Any unnecessary comments or arguments between players or any aggression toward other players will not be tolerated.
- Listen to your coach. Any backtalk or disrespect to any coaches will not be acceptable.
- Conduct yourself in the appropriate and respectful manner at all times. Whether at school, a game, or at practice – you must remember that you are a representative of Dual Language Middle School and your behavior will reflect on our school.
- Accept your role on the team. Realize that a team is made up of individuals and not everyone can start or play at the same time. Try to be the best at whatever role your team needs you to play.
- Take care of yourself. Student-athletes need adequate sleep and a healthy diet to perform at their best.

I, \_\_\_\_\_, have read and understand the rules for maintaining a spot on the \_\_\_\_\_ team at Dual Language Middle School.

I understand that failure to comply with the rules will result in appropriate consequences and/or team suspensions. I further understand that continuous failure to comply with these rules may result in dismissal from the team.
